28 FOUNDATION MASTERS WANTED!!!

I am personally inviting AUSTRALIANS AND NEW ZEALANDERS who sincerely want to become true healers whose main purpose is to **OUTREACH TO THOSE WHO SEEK HELP** to become my foundation Masters in Australasia.

You will be the **FOUNDATION AND SPECIALLY TRAINED MASTERS** once you are into the program. I will personally (and with the help of my Masters) attend to you in this intensive one week of sheer awesome oddball healing via many traditional therapies as well as those that I founded.

At the **CERTIFIED YONGIWAY MASTERY** workshop, I will undertake to show and share all aspects of healing and working with spirits (with evidence by the way) so that you are armed with all the knowledge and practical skills in my methods of healing and counselling.

Healing takes in a multitude of different remedies and techniques. You will be shown, in a week of intensive training (that will take you **BEYOND THE BEYOND**) how true masters work within and without their capabilities in order to bring wellness back to those who are down and out. From the dreaded cancer, mental breakdown, major illness symptoms, to pathways, you will be taught how to go to the **ROOT CAUSE** for recovery to wellness.

This intake will be special, as it is **A PERSONAL INVITATION TO AUSTRALIANS AND NEW ZEALANDERS** only. Upon graduation, you will be assigned as my **FOUNDATION MASTER** and hence spreading the **YONGIWAY METHOD OF HEALING**. It will be held from 25 – 31 March, 2012, at Glory Beach Resort, Port Dickson, Malaysia.

One thing for sure, be prepared to go **BEYOND THE BEYOND** whilst undergoing training to become a **TRUE AND WORTHY MASTER!!!**

The fee is only AUD\$2800 (with early birds paying AUD\$2200). It includes all hotel accommodation and meals.

In Love and Light
